**To:** Provosts and Chief Academic Officers

**From:** Paula Compton, Associate Vice Chancellor, Articulation and Transfer

**Date:** January 25, 2021

**Subject:** Announcement of the Ohio Guaranteed Transfer Pathways in Mechanical Engineering Technology and Electrical Engineering Technology

---

On November 16, 2020, the Chancellor of the Ohio Department of Higher Education (ODHE) approved the proposed Ohio Guaranteed Transfer Pathways (OGTP) in Mechanical Engineering Technology and Electrical Engineering Technology. These represent the first OGTPs in applied degree areas. Please see the attached pathway templates.

The development of these pathways began in Fall 2017 with the work of the Ohio Guaranteed Transfer Pathways (OGTP) Engineering Technology faculty panel, which was comprised of representatives from the public institutions of higher education. I would like to recognize and thank each panel member for their work both on the panel and within their institutions to build this pathway and their ongoing work to develop a pathway in Civil/Construction Engineering Technology. I would also like to extend a special thanks to those who took leadership roles in this effort. The statewide panel was led by Dan Burklo, Northwest State Community College; Todd Waggoner, Bowling Green State University; David Astorino, Lorain County Community College; Brian Rigling, Wright State University; Jon Link, Columbus State Community College; and Marcia Belcher, University of Akron.

In order to begin the implementation of the OGTP in, we are asking for all institutions to enter their specific course information in each pathway template. Universities, or other bachelor-degree granting programs, are also asked to provide information about the courses needed to complete a bachelor's degree if a student were to complete the pathway. Please make sure that the appropriate faculty members are involved in this process. Detailed instructions as well as the fill-in versions of the template are attached or can be downloaded from our website:

The implementation policy requires that institutions be given at least 60-90 days to respond to this request. Your submissions are requested by May 7, 2021. Any submissions prior to then are accepted and appreciated. If you have any questions, please contact Candice Grant, Senior Director of the Ohio Guaranteed Transfer Pathways, at 614-466-6184 or [cgrant@highered.ohio.gov](mailto:cgrant@highered.ohio.gov).
